## Community Action at MCUUF

MCUUF members and friends often wish to bring area social action activities to the attention of the fellowship. Our Community Action Task Force (CATF) has created avenues for doing just that:

1. **You can publicize a social action activity** to the Fellowship and invite interested people to participate. Short postings can appear in our Sunday Order of Service, our weekly and monthly e-newsletters, and/or on our website. Give us your info on the form below.
2. **You can seek the support or endorsement of MCUUF** for a social action initiative in which you are significantly involved. The CATF will consider your proposal/request, requesting additional information as needed, and will bring it to the MCUUF Board for consideration as needed. Give us your proposal/request on the form below.

**PLEASE NOTE** - MCUUF does not have dedicated staff to initiate or run social action projects. Any proposal brought to MCUUF for support, endorsement, or other action must be driven by the volunteer effort of one or more members of the Fellowship.

**Send your request to the CATF, and we'll get on it!**
