UNIVERSALIST FELLOWSHIP**

**NEWSLETTER - JANUARY, 2013**

**LEADERSHIP LETTER**

*“Write it on your heart that every day is the best day of the year.”  
Ralph Waldo Emerson*

There were several (it seemed like several thousand) times during 2012 that I wondered if the year would ever end. It was certainly a year of big and abrupt changes—losing our minister, losing the use of the Grange for months, as well as the not-quite-as-overwhelming but still fretful issues of how to continue to pay for a half-time minister AND where we should park, one Sunday to the next. Not to mention that our personal lives were sometimes filled with sorrow: illness, separation, and the death of one of our own beloved members.

How can I tell you how proud I have been of all of you? From my fellow Board members to lay leaders to those of you who cheerfully continued to come to Sunday service whenever and wherever AND responded so generously to our Pledge Drive, you have all shown tolerance, patience, commitment and courage. Throughout the year, I have again and again been proud to be a member of such a wonderful congregation. You rock!

The New Year has begun with a sense of calm and hope. We have a new Interim Minister, the Reverend Ken Jones. Reverend Ken will be with us for up to 18 months to support us as we search for a long-term minister. I've already had several of you ask if we couldn't just have Reverend Ken as our minister, and skip the search, so I know he's made a great impression already. But sadly he can only be with us for this short period of time. Reverend Ken has a wonderfully calm, reassuring presence that I think is just what we need at this time. Please welcome him along with his daughter Willow to our congregation and help them to get to know us.

Our Search Team will be working very hard over the next 18 months, as a ministerial search involves a lot of time and energy. They will be asking for input from all of us—please support their work by participating in upcoming workshops and questionnaires so they can find a minister who hopefully will be with us for years to come. I understand the Team will be expanding to include more members, but here's the current slate: Steve Castles, Paul Blackburn, Don Hardin, Debbie Olson and Alicia Bhatti. I'm sure that gift cards for caffeinated drinks will be in order, as well as hugs of thanks.

Here's hoping 2013 is free of crises for our Congregation, free of despair in our personal lives, and free of injustice in the wider world. I'll end with a verse from Reverend Ken's favorite hymn (#151 from Singing the Living Tradition):

*I wish I knew how it would feel to be free,  
I wish I could break all these chains holding me.  
I wish I could say all the things I could say,  
Say 'em loud, say 'em clear for the whole world to hear.  
Say 'em loud, say 'em clear for the whole world to hear.*

Happy New Year!  
Holly Harrel  
Board President

## **YOUTH**

### **Teen Update:**

Wisps of incense filled the air at the Trout Lake abbey, home to Kozen Sampson, last Saturday, 12/29, when 7 of our youth group, along with Theresa and Cindy, traveled there for the meditation service. Despite having gotten up early on a Saturday during Winter Break, we were able to sit in meditation for some time, and also participated in a moving meditation and were exposed to Buddhist chanting. Several of our group had never been to a Buddhist service before, and had their "cultural eyes" opened when exposed to this new spiritual experience.

We also enjoyed looking at the alpacas there that were seen outside the glass door that led to a sheer drop from the temple. After the generous offer from Kozen, we headed inside for tea and cookies and a platter of local cheese made by one of the celebrants. Half the group then traveled to an alpaca store, full of fluffy polar bears, socks, caps and sweaters. Heading back down from Mt. Adams, we stopped for some huckleberry shakes and I was ghastly surprised that one of our members had never had one before. A great time was had by all.
