

OUR MISSION AND VISION

We come together as a welcoming religious community that nurtures our spiritual growth, broadens our minds, and supports us in service to the wider world.

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote:

The inherent worth and dignity of every person

Justice, equity and compassion in human relations

Acceptance of one another and encouragement to spiritual growth in our congregations

A free and responsible search for truth & meaning

The right of conscience and the use of the democratic process within our congregations and in society at large

The goal of world community with peace, liberty, and justice for all

Respect for the interdependent web of all existence of which we are a part

Dear MCUUF Members & Friends,

We have the opportunity to support this place that is important to us. This is a place that we create together. A place where we share, encourage, and explore. A place whose roots hold us close. A place where we can be ourselves and fly!

Our Sunday Services make a house of hope and welcome. Our religious education program nurtures the curiosity of our children & youth, and fosters well-being through our pioneering Our Whole Lives Sexuality Education curriculum. We have built community where we encourage each other and share fun times. Our professional religious leadership has made us a visible spiritual community in the Gorge.

Make our flame burn even brighter !
Your meaningful gift will help us meet our goal of raising **\$85,000** for the coming program year.
